

How to find us

From the M5

1. Exit Junction 3.
2. Take the A456 towards Birmingham – The Quinton Expressway.
3. Continue along (A456) until you reach Five Ways. On approaching Five Ways move into the right hand lane so that you can go under the underpass at Five Ways and join Broad Street, still on the A456.
4. Take your 4th right at Gas Street and follow the road round until you reach a junction. You need to take a left and then right immediately after. You then reach Granville Street where you need to turn left, carry on over the weak bridge and we are on your left in a grey building with black doors.

From M6

1. Heading towards Birmingham on the M6 Motorway, leave at Junction 6. Head towards the A38 Aston Expressway (A38m) and Birmingham City Centre.
2. Follow the road round. You will pass a large Matalan Store on your right and proceed over the flyover and under the underpass (St Chads). You need to continue under the next underpass and upon exiting get into the left hand lane and move into the next left lane in order to approach the island. At this island you will need to take the third exit up Holloway Head and then a right into Granville Street. At the small roundabout, carry on straight over and we are on your right in a grey building with black doors.

Parking can be located nearby in either the Mailbox car park or in nearby Tenant Street.
